*A year of success and accomplishment*

Donation of two ambulances from York Region on september 25, 2012 to the Guyana Burn & Healthcare Charitable Foundation in Richmond Hill

Hand-over ceremony for the two donated ambulances on November 26, 2012 at the Canadian Embassy in Guyana.

Our Canadian dignitaries and the Canadian High Commissioner at the Hand-over Ceremony in Guyana with the Prime Minister and Mr. Michael Khan, CEO Georgetown Public Hospital Corporation

# BURN CARE UNIT

*The Burn Care Unit at the Georgetown Public Hospital Corporation was officially opened on November 11, 2002 and was fully refurbished in November 2012.*

# GUYANA BURN & HEALTHCARE

Charitable Foundation Inc

*On November 27, 2012, Vito Spatafora, Deputy Mayor of Richmond Hill, Ontario, brought with him donated books to inaugurate a children's library at the Cheshire Home for The Children of Mahaica Village.*

*This wheelchair bus was donated by our charity in 2010 and has since been satisfying many vital transportation needs.*

# Bringing Joy to Children

*Our Charity's partnership with the Tina Insanally Foundation has helped many children in need by enriching their lives with music education.*

The Charity's new initiative of supporting Tina Insanally Foundation to nurture musical talent to disadvantage children by providing teachers and musical instruments for the families who cannot afford curriculum activities.

In addition to financial assistance, the Charity has also donated musical instruments. During our visit in 2012, we experienced a particularly touching scene when we listened to the beautiful voice of a visually-impaired vocalist, as well as orphans playing steelpans, guitars, flutes and keyboards.

There are still a lot of work to be done. The two areas of immediate attention are at Boscoe Orphanage and in the village of Lovely Lass and West Coast Berbice, where pre-owned musical instruments and sporting equipment are needed. Please contact Pamela if you wish to make a donation.

A significant monetary donation to help the recovery project of St Joseph Mercy Hospital.

Deputy Mayor Vito Spatafora reading to a resident of Cheshire Home at the community library he provided.
