## To Whom It May Concern

The Headteacher, staff and pupils of St. Ambrose Primary School are very grateful to the music teachers Mr. Vinode Ramsammy and Mr. Mark Lee for sharing their valuable time and skill teaching music to all the classes at St. Ambrose Primary. Enrolment two hundred forty eight (248) pupils.

Mr. Ramsammy and Mr. Lee began teaching music at St. Ambrose Primary on 2011 - 01 -21 using the keyboard and guitar. They have been working very diligently with all the pupils every Friday. Below is the time table that is being used.

The pupils in Grades One and Two are participating fully in the music lessons. They have since developed better listening skills and eye-hand co-ordination. The Grades Three and Four pupils are responding positively to the music lessons. They are eager to learn how to play the musical instruments. They have all developed a love for music. The Grade Five pupils are enthusiastic to be part of these sessions of music. They look forward to having music lessons every Friday. During the lessons pupils are interested in the notes taught, hence they pay keen attention. The music lessons appear to be simple and to the academic level of the Grade Five pupils. Even the below average pupils are able to recognize the notes in theory and play them on the piano. This achievement has developed their self confidence in other subject areas too. The music lessons are useful and valuable to the pupils, it helps them to develop their artistic abilities and broaden their interest. It will also help them to develop a skill that will be useful to them later on in their lives.

The Grade Six music lessons are very beneficial for the pupils, especially those children who are not academically inclined. Pupils have shown interest in playing the keyboard and guitar. The pupils are certainly enjoying these sessions and they do look forward for their music lessons on Fridays.
